We sold our house with Clare from Campbells in the summer. Clare was amazing throughout the process - approachable, professional and never too busy to answer questions, no matter how big or small.

Without Clare I am certain our experience would not have been half as smooth!

Thank you Clare for helping us to make the move to our dream home a reality!

**Two/Three Bedroom End of Terrace Property
For Sale in Clifton-upon-Dunsmore, Warwickshire**

This pretty looking property for sale on Vicarage Hill in Clifton-upon-Dunsmore has lots of traditional features to it, complemented by the loveliest front and rear 'cottagey' style gardens.

If you're unfamiliar with it, Clifton is roughly 2 miles Northeast of Rugby near the Northamptonshire, Leicestershire, and Warwickshire border. It offers excellent road and motorway access having the M6, M1, A5 & A14 nearby and the local railway station allows the commuter to get to Euston in less than 58 minutes.

Being offered for sale with no upward chain, this lovely property has a generous Living Room to the front, with its high ceilings and square bay window that allows the afternoon sunlight to flood in.

The dining room, or additional sitting room, has an attractive brick faced fireplace and pretty opaque glazing to allow light into the hallway.

The kitchen is quite modern with Shaker style units, wooden block work surfaces with metro style tiling. Doors lead from here to both the bathroom and garden.

They have fitted a lot into this Bathroom. Half height panelling compliments a modern white suite, with the addition of a separate shower cubicle as well as a bath.

Now, technically, I'm only allowed to call it Two Bedrooms, because the smallest room can only be accessed via another bedroom. However, it's a little bit different from the norm!

As well as a lovely bright double bedroom to the front of the property, Bedroom 2, also a double, could be quite adaptable, depending on your needs!

Bedroom 2 also provides access to a third room, which could be used either as another bedroom, or nursery for a child maybe, or could make a great office or dressing room. It's also quite common in other properties with a similar configuration, to convert this room to an en-suite bathroom. But also off Bedroom 2, is a doorway to a little area over the entrance hall that could make a little dressing area or walk-in wardrobe.

The Garden is just lovely, especially in the summer months when the Foxgloves and Poppies fill it with colour. The scent of the roses as I walked down the garden to take a look around was absolutely gorgeous.

"Mum so enjoyed the garden; relaxing in it in the sunshine and having the open views over the fields."

The property is really charming with some lovely features to it. It's going to need a bit of updating in part, but would make an excellent first home, or a step into village life.

LOCATION

Clifton has a safe and friendly community feel to it. A perfect place to raise a family; Being close enough to Rugby for all manner of amenities yet with all the feel of the countryside around you, where you can find some lovely local walks nearby across the fields and along the canal and disused railway line.

The village itself has an excellent village store, a pub, café, church, hairdresser, and beautician as well as a sports physio and brownie shop. There is also a recreational ground with play area for the little ones and tennis courts accessible from South Road.

If you would like more information or would like to arrange a viewing, please call the friendly team at Campbells who will be happy to help you further.

"It's been a much loved home where generations of the family have been happily entertained (usually with cakes!) in the spacious living room. Mum so enjoyed the garden; relaxing in it in the sunshine and having the open views over the fields."
