Property Summary

Positioned on a popular residential road to the north of the town centre, this extended three-bedroom semi-detached home presents a considered balance of family space, character features, and modern convenience. Set behind a pretty front garden with a central pathway and lawn, alongside off-street parking, the house has been enhanced and well maintained to deliver flexible living with a natural flow.

A welcoming entrance hallway offers access to the guest WC on the right, the formal dining room to the left, and the kitchen/breakfast room straight ahead. The dining room, enjoying a front-facing aspect, flows effortlessly into the elegant rear sitting room, a beautifully light-filled space where French doors open onto the garden. At its heart, a log-burning stove framed by a bespoke oak mantel lends both warmth and character, creating an inviting setting for entertaining or quiet evenings by the fire.

The kitchen/breakfast room is well-appointed with a range of cabinetry, integrated dishwasher, space for a Rangemaster cooker, and ample room for casual dining. A separate utility area offers additional practicality, keeping laundry and storage out of sight.

Upstairs, the dual-aspect principal bedroom is bathed in natural light and features generous built-in wardrobes. The second double bedroom, also with fitted wardrobes, overlooks the garden, while the third bedroom offers flexibility as a single room or home office. The modern family bathroom is fully tiled in a smart palette, with a contemporary suite including an over-bath shower.

The north-west facing rear garden is a private haven, benefitting from late afternoon and evening sun, perfect for al fresco dining and weekend relaxation. A level lawn is bordered by mature planting, and the patio area flows naturally from the sitting room. To the side of the property, the original garage has been converted into a home office with power, lighting, heating, and double-glazed windows, offering an excellent space for remote working, a studio, or additional hobbies, complemented by a large timber shed for garden storage.
